After being picked up from our accommodation we continue along the Atlantic Seaboard to Hout Bay harbor checking out the Twelve Apostles Mountains in the background. Our enthusiastic guide will let you in on all of the secrets of the land while we travel the scenic route to Cape Point. Once in Hout Bay, an optional boat cruise to visit the Cape Fur Seal colony on Duiker Island comes highly recommended (approx. R60 or $7). Otherwise browse around the harbor and check out the local crafts. Enjoy some cookies and juice and take in the breathtaking views along Chapman’s Peak.

You will then visit the endangered and very entertaining Penguins at Boulders Beach in Simons Town. The exhilarating downhill cycle through the free roaming wildlife of the Cape Point Nature Reserve helps you work up a healthy appetite. After you (hopefully) see Kudu, Ostrich and other antelopes, a healthy energy boosting lunch will be served in the reserve. After a delicious picnic, enjoy a leisurely stroll to the South Western most point of Africa.

The spectacular Cape Point Nature Reserve will put you on a natural high for the rest of the week! And if it doesn’t, the Baboons will!

Langa Walking Tour

Townships were created as dormitory-styled, racially divided suburbs for black South Africans during, and even before apartheid (political system in South Africa based on the National Party policy of racial segregation). This will most probably be the tour that you remember most vividly, long after you the shores of South Africa. It is all about the people. To truly experience the warmth, friendliness and humanity of township residents, you have to walk its streets. Hear the children at play, smell the sidewalk barbecues, taste locally brewed beer, learn to say “Molo” and experience what is meant by “Ubuntu”.

Robben Island Museum
R230 or $26 for adults and R120 or $13 for children (U/18)

From the 17th to the 20th centuries, Robben Island served as a place of banishment, isolation and imprisonment. Today it is a World Heritage Site and museum, a poignant reminder to the newly democratic South Africa of the price paid for freedom.

Ferries depart at 9am, 11am, 1pm and 3pm, weather permitting, from Nelson Mandela Gateway, at the V&A Waterfront in Cape Town.

Nelson Mandela - In 1962 he was arrested and convicted of sabotage and other charges, and sentenced to life imprisonment. Mandela served 27 years in prison, many on Robben Island and a few in Paarl, while an international campaign lobbied for his release. He is best known as a South African anti-apartheid activist and politician who served as President of South Africa from 1994 to 1999, the first to be elected in a fully representative democratic election. His administration focused on dismantling apartheid’s legacy, cutting poverty and inequality. Politically left-wing, he served as president of the African National Congress (ANC) political party from 1990 to 1999.
Great White Shark Cage Diving!
R1,750 or $195 per person

Once the Great Whites arrive, you will have the opportunity to photograph these awe-inspiring animals feeding at the surface, right alongside the boat. This is when you enter the cage!
